Fire Prevention -- Spring Cleaning

- Spring cleaning can improve safety of home
- Reduce clutter in home and garage
- Clutter does not start a fire but will increase fuel load
- Clutter can make extinguishment hard for firefighters
- Clutter can also make escaping a fire challenging
- Reduce or eliminate hazardous materials in your home
- Hazardous materials can fuel a fire and can be hazardous to your health
- Maintain only what you need and dispose of safely

502D MISSION SUPPORT GROUP

Sam Houston Before the Battle of San Jacinto

"We view ourselves on the eve of battle. We are nerved for the contest, and must conquer or perish. It is vain to look for present aid: none is at hand. We must now act or abandon all hope! Rally to the standard, and be no longer the scoff of mercenary tongues! Be men, be free men, that your children may bless their father's name."
